GIVING UPDATE

DEC 2023 - FEB 2024

If you have been journeying with us in this past season, we have been talking a lot about purpose. In a culture that defines purpose as gaining and building for the sake of ourselves, Bethlehem Church has demonstrated that purpose is found in giving and serving. I

am so thankful that you continually take the steps to be a generous people. Your repeated, consistent, and significant giving is empowering the expansion of Bethlehem Church.

Just a few weeks ago, we baptized a father who was influenced by his daughter to take a step forward in public faith. In the same service, we baptized a daughter who was following her father in baptism. What a beautiful picture of the power of the gospel transforming families and generations. The call of Bethlehem Church is to be a people of hope and a place of healing, and we believe like never before that God is positioning us to make an impact on future generations.

BE/CAUSE of your generosity, I also believe that God is opening doors we are not yet aware of. Thank you that you are choosing to demonstrate your faith by investing in the future and putting roots down at Bethlehem Church. Our 316 campus is projected to be completed by late fall. We look forward to beginning expansion projects at the 211 and Oconee Campuses in the early part of next year.

Nan and I are encouraged as we journey with you in this season. We are praying for you, and if there is anything we can do to serve you, please don't hesitate to ask.
